Before the year ends we would like to express our appreciation for the support provided to Family Outreach (East) Dallas. Thank you for helping make a 2 generation difference.

We have a dedicated team of volunteers, donors, and community partners strengthening and celebrating a nurturing family for all children.

There's still time to make a year-end gift [familyoutreachdallas](http://familyoutreachdallas.org) help insure critical home visiting programs continue..

Thank you for helping '*kids bloom where they are planted*'
Health & Happiness in 2016 .

**Warmest wishes,
