## Cecilia Grussendorf

Board Secretary and accredited Triple P facilitator, Cecilia is committed to educating and supporting Dallas families. Her ability to build connections with clients, facilitate discussions, and highlight the strengths of each participant make our program a huge success. We are so grateful for this amazing volunteer and to have Cecilia on our team!

**"By attending this course, I learned a lot that I can use in the future. I learned how to be organized and plan ahead, and to talk to my daughter more."**

**"The best things about this course are group discussions, the video, and the awesome instructors. They are very kind and super patient."**
