

April is Child Abuse Prevention and Awareness Month and Volunteer Appreciation Month!  
Our volunteers are building stronger families and a better world for children.

## Family Outreach of East Dallas

Prevention is Key to Building Better Families

### Visit Our NEW Website!

Family Outreach Dallas is excited to announce the launch of our new website built by talented UTA intern, Ashleigh Mains, with design assistance from Executives In Action, RoOchita, with Catchafire. This would not have been possible without coordination and contributions from our social media committee, Janie Britton and Marty Primeau.  
We are so grateful for this collaborative effort!

### Speaker's Bureau

This month, we had an opportunity to present Family Outreach Dallas to the Exchange Club of East Dallas. About 40 club members learned more about our programs that strengthen families and prevent child abuse. We are fortunate to have such committed community members. We are working toward a partnership with the Bales Elementary library and stronger relationship with the Exchange club. Thank you to Cecelia Grussendorf for providing this presentation!

**Keep up with volunteer opportunities and upcoming events on our Facebook Page**

### WHO Program

Long-time volunteers Mary Schaar and Sarah Losinger present the WHO program to elementary students each spring. This child safety program teaches children to identify dangerous situations, know what to do and who to ask for help. Would you like to help keep children safe?

### Urgent Volunteer Needs!

We are looking for administrative support and web/social media support.

Do you have office skills you would like to

volunteer for 2-4 hours per week in our office? Do you know someone with Facebook, Twitter, or WordPress experience who can volunteer online from their home? Please share these volunteer needs and help us reach more families!

**Apply Online - See all opportunities and complete a volunteer application.**

**For some people, volunteering  
is about giving. But for the  
likes of you, it is a way of living.  
Thank you!**
